## From Our Chairperson

Message from  
Kathy.....

I'm loving these warm days that have finally arrived. My garden is lush and calling me to do some weeding and rearranging. But the studio is also calling to get some work done. Such a dilemma!

I've had one person step up and offer to handle the show registrations. STILL

NEEDED are these MUST HAVE postions: Treasurer, Publicity and Membership.

Without new volunteers for these positions the group cannot survive— PLEASE consider carefully what help YOU can offer!

Specific descriptions of what talents are needed are listed in the yellow box to your right.

The June program is an evening meeting from 7-9 with Elaine Reed who will be doing a wet on wet demonstration. Hope to see you there. Kathy

## CRITICAL POSITIONS THAT NEED TO BE FILLED!

- Treasurer— maintain the checkbook; make deposits; prepare monthly reports for meetings; write checks
- Publicity— send notices to local papers about programs and events
- Membership— maintain the membership list; work with the newsletter editor and chairperson to keep list accurate

## In Memoriam

## **Adrien R. Patenaude April 10, 1950-May 13, 2014**

A long time SBA member, active through 2013, is fondly remembered by many in our group. Adrien was born in Newport VT and lived both in Vermont and Maine at various times of his life. He was a very generous individual who donated his work in support of the arts. His signature name was Adrien "Yellow" Patenaude because he loved the color yellow so much and put it in all of his paintings. We are honoring him by highlighting the color yellow in this newsletter

He recently finished illustrating a book for the famous poet and author, Jerry Johnson. The name of the book is "Noah's Song" and it will soon have a special edition coming out in Adrien's memory. There is also a CD with the book with "Noah's Song" sung by Jon Gailmor.

We send his family our sincerest condolences during this difficult time.

## Editor's Ramblings

I recently read a very moving poem "The Dash" by Linda Ellis. Due to copyright restrictions, here is the link to her page: <http://www.linda-ellis.com/the-dash-the-dash-poem-by-linda-ellis-.html>. I found it strong food for thought and hope that you will take a few moments to read and reflect upon it.

During the past month I've had many opportunities to travel around our wonderful state with my Dad during his month long visit. Traveling around with him, even in the local area reminds me of why I want to live here each and every day. I celebrate the natural beauty that we are fortunate to have available to us each and every day and hope that you do to.

Have a very happy and safe Summer season—wishing those who are participating in the SBA Summer Show the best of success! Wendy B.
