## From Our Chair—Kathy Angel Lee

Hello everyone,  
Have you all been busy this winter creating? I know I have.

Aside from a brief bout with bronchitis and carpal tunnel surgery, I've had some extended quality time in my studio.

We've all had a bit of a respite from meetings. Now it's time to get together again. Betty Shore has been busy planning interesting programs for us for the coming

year. See schedule included with this newsletter.

Show dates are scheduled - I hope to see many of you participating this year.

Looking forward to seeing you at the March 14 meeting. The book making demo/workshop sounds really interesting.

Kathy

## NOT TOO LATE - Dues!

If you haven't paid your dues yet, then the fee has gone up to \$40. Still not too late to join. Thank you!

A note about the benefits of membership especially for those of you who do the summer shows. First of all, the show fee is less if you are a member. If you attend three or more business/program meetings during the year, your show fee is further reduced to \$25/show. So besides participating in interesting programs and/or demos, you get an extra benefit if you also do the shows.

## Ocean Park Button Design

Calling everyone who likes to make a button design. The entry for the 2016 Fourth of July Button Design is **DUE** Monday, March 14.

Design must have a July 4<sup>th</sup> theme associated with Ocean Park. It needs to include "Ocean Park Association" and "2016." Buttons are 3" in diameter

so design should fit well in that dimension. Successful artwork in the past has been 6-7" which can then be scanned to the proper size.

## 2016 Business Meeting Dates & Summer Show Dates

Due to the often iffy weather in January and February, SBA decided not to have meetings in January and February. The Pines meeting room is still available on Mondays and there's a dedicated group that meets there every Monday to paint. Feel free to join them at any time.
